Come a little bit closer, hear what I have to say

Just like children sleeping, We could dream this night away

Up there's a full moon rising, Lets go dancing in the light
F C
Below the music's playing, Lets go out and feel the night

I wanna see you dance again

On this harvest moon

When we were strangers, I watched you from afar
When we were lovers, I loved you with all my heart
But now it's getting late, And the moon is climbing high
I wanna celebrate, And see the shining in your eyes

Because I'm still in love with you
I wanna see you dance again
Because I'm still in love with you
On this harvest moon
