Hora! ali, ali!. Esh hadliki beleili
Am                   Em
T'hora rabat ora, hora medura
```

We came with nothing, we, the poor of yesterday.
Fate gave us the millions of tomorrow.
Come out to the circle, give a song to the poor.
Here gathered to dance, sons of poverty and the spoils.
Hora arise, arise! Light a fire in my night,
pure and full of light, hora of the campfire.
