Ketri Ketri, come after me,
 Ketri Ketri, live with me,
 Come back, sit down here,
 Come after me!
 You are like a little flower,
 Beautiful little flower,
 My heart is happy, happy,
 Be with me!
 Ketri Ketri, my heart is heavy,
 Ketri Ketri, my heart is breaking,
 I will kiss your heart,
 Come and sit beside me!
 Ketri Ketri, dance for me,
 Ketri Ketri, sing now for me,
 Do sing and dance for me,
 Come after me!

Ketri Ketri, I am already merry,
 My heart is also merrier,
 Because I can see you beside me,
 Marry me, be my wife!
 When you dance, my heart is happy,
 When you sing, my heart breaks,
 Come back to me,
 Marry me, be my wife!
 Ketri, Ketri, I am already merry,
 My heart is also merrier,
 Because I can see you beside me,
 Marry me, be my wife!
 When you dance, my heart is happy,
 When you sing, my heart breaks,
 Come back to me,
 Marry me, be my wife!
