Miserlou, your sweet glance, has lit a flame in my heart. Your lips trickle of honey. Ah, Miserlou, magical, enchanting beauty! Craze will come to me, I can endure no longer. Akh! That I steal you from Arabia. My Miserlou, crazy, black-eyed, one of your kisses lights a flame in me. One little kiss from your sweet mouth! Ah, Miserlou, magical, enchanting beauty! Craze will come to me, I can endure no longer. Ah! That I steal you from Arabia. Translation from: <http://www.evansvillefolk dancers.com/id72.html>
